

## DON'T GET TONGUE- TIED

### JUSTIFICATION

Through this game and by using tongue twisters we would like to improve our students' oral skills, as well as other abilities, such as memory and attention.

### DESCRIPTION

<b>Materials</b>	16 cards. 14 cards containing the different tongue twisters (one tongue twister each), one card to give up one's turn and a wild card.
<b>Age</b>	6-12 years old
<b>Time</b>	About 20 minutes
<b>Room</b>	The classroom
<b>Grouping</b>	2 groups and a referee (a teacher can play this role)
<b>Layout</b>	One group opposite the other

### AIM

To improve oral skills through the use of tongue twisters

### DEVELOPMENT OF THE ACTIVITY:

17 cards will be distributed as follows:

14 x *Tongue twisters* (each tongue twister starts by a different letter)

1 x *Give up one's turn*

1 x *Wild card* The group that gets this card will be given two extra chances to pronounce the tongue twister correctly.

The two teams will take turns taking a card from the face down pile on the table. One member of the team will read the tongue twister out loud for another member of the team to repeat (they have two tries) unless they get one of the two previously mentioned cards. Once the tongue twister has been read the referee will decide if it has been read correctly or not. The members of the groups will take turns to be who reads the tongue twister or who pronounces it. In that way, all the members of the group will play the two different roles. The team that scores ten points first wins.
